ABOUT our Amazing Program:

The Amazing Athletes year-round program is specifically designed to enhance your child's learning experience through movement. At Amazing Athletes your child will learn the basic fundamentals and mechanics of 9 different sports while also building self-confidence, practicing teamwork, and improving 7 key areas of motor development.

Our Amazing Athletes coaches come directly to your child and are trained to work with every child at their own development level within a non-competitive, learning-based environment.

Each class focuses on 2 different sports and incorporates activities proven to increase your child's overall cardiovascular fitness, muscle tone, hand-eye coordination, reaction time, and more!
