

## Spring Session 2017

April 24 - June 2

We offer an array of challenging and fun enrichment classes that are open to currently enrolled children. These classes are a great opportunity to extend your child's preschool learning or offer your child more opportunities to explore a particular interest.

All classes are run by either our own teaching staff or experienced instructors from the community. Spaces are limited, so sign-up early.

### Foreign Language

#### VIVA ESPAÑOL!

(AGES 3+)

This Spanish class is designed to introduce children to basic words, colors, numbers 1-20, animal names and greetings. The program offers a basic foundation of the Spanish language while accommodating returning students with more challenging concepts. A variety of media such as songs, flash cards, literature and visual aids further enhance this program.

Miss Regina  
Mondays, April 24<sup>th</sup> to May 29<sup>th</sup>  
10:00am to 10:30am

### Language & Literacy

#### ALPHABET SOUP

(AGES 4+)

A reading program structured with the developmental capabilities of 4 and 5 year olds in mind. The children are trained in phonemic awareness and phonics and will learn to hear the distinct sounds contained in words, recognize the position of each sound, and associate these sounds with specific letters. They will learn sight words, be introduced to common blends and vowel teams and learn to love reading! The children will make take home vowel puppets, play games,

sing songs, "write" with alphabet blocks, make arts and crafts projects, and read take home books.

Instructor: Iona Pally ☞  
Mondays  
12:45pm to 1:30pm  
\$75 per month

#### STORYTIME ADVENTURES

(AGES 3+)

The *Storytime Adventures* curriculum is designed to enhance reading comprehension through dramatic play and interactive literacy-based experiences. Children will explore characters, settings, vocabulary, recollection, and book handling skills. This class will enhance children's listening skills, promote self-expression and build confidence. *Storytime Adventures* will excite children's imagination through puppet shows, dress-up and acting, music and movement, and interactive read-aloud. This class is sure to thrill any fairytale lover or adventurer!

Instructor: Miss Ashley  
Wednesdays, April 26<sup>th</sup> to May 31<sup>st</sup>  
3:30pm to 4:15pm  
\$65 per month

### Athletics

#### AMAZING ATHLETES

(AGES 2+)

This ball sports class provides a unique and fun-filled sports program that incorporates physical fitness, muscle tone and gross motor skills while learning and playing baseball, volleyball, basketball, soccer, hockey, football, lacrosse, golf and tennis. Fun, confidence-building, teamwork and sportsmanship are all objectives of this action-packed program.

Level 2: 9:45am - 10:20am  
\$45 per month (4 classes per month)

#### FLIP FLIP HOORAY!

(AGES 2+)

This gymnastics class supports motor skill development with a clear emphasis on the joy of movement for children. Additionally, it focuses on whole body exercise, including development in strength, flexibility and coordination, while promoting healthy choices and self-confidence. Classes

are structured, but not rigid, so that children can channel their physical energy while learning to socialize with other students in a safe, fun environment.

Instructor: Jenny Wilson ☞  
Wednesdays  
Group 1: 9am - 9:30am  
Group 2: 9:45am - 10:15am  
Group 2: 10:30am - 11am  
Group 4: 11:15am - 11:45am  
\$40 per month (4 classes per month)

#### YOGA BUDDIES

(AGES 3+)

During Yoga Buddies children will unwind and discover their inner-selves. Children will learn breathing techniques, stretching, basic yoga poses and meditation methods. The class will focus on and enhance balance and body strengthening. The instructor will incorporate yoga techniques into storytelling and poetry, as well as introduce children to various types of instrumental music. Yoga has many personal benefits such as increasing focus, developing empathy, calming the mind and body, and supporting overall well-being. Once children learn yoga breathing techniques they will be able to utilize this skill in all areas of their lives.

## Math

---

### NUMBER CRUNCHERS

(AGES 4+)

Familiarize your child with basic math concepts that serve as the precursor to math in elementary school and that are aligned with the standards and goals contained in the California Preschool and Kindergarten Learning Foundations. The intent is to show the children that math is all around them, can be seen in everyday applications and is fun. The class is hands on and

is meant to be thought provoking. A primary focus is the number line which is the precursor to understanding addition and subtraction. Other areas of focus include math vocabulary, reasoning (i.e. extrapolation) and number sense. The concepts are presented through use of manipulatives, songs, games, and arts and crafts.
