

One, Two Buckle My Shoe Math

Enriching the Preschool Experience

POLICIES

- The program runs from September through June. Each class builds on the knowledge obtained from previous classes.
- It is expected that your child will attend throughout the year. Please call Iona Pally first if you are enrolling your child after the program has begun.
- A minimum two week notice is required to drop out of this program.
- Your child must be 4 years old by September 1, 2014 to enroll.
- There is a \$65 monthly class fee and a one-time Registration fee of \$20. The registration fee is due by September 5th with a completed registration form. The monthly class fee is due at or before the first class of each month by check made payable to Iona Pally deposited in the One, Two Buckle My Shoe Payment Box in the office.
- For auto payments contact Iona Pally.
- The first class is Monday, September 8, 2014.
- There are no refunds for missed classes.
- If a class happens to fall on a national holiday the class will be forfeited.
- There is a \$10 late fee and a \$25 fee for returned checks.
- Complete the registration form inside this brochure and submit it with your first payment to the office before Friday, September 5, 2014.
- **FOOD ALLERGIES:** In some classes the children use/eat various foods. If your child has ANY food allergies please contact Iona Pally before your child's first class.

One, Two Buckle My Shoe Math

This fun and developmentally appropriate math program is aligned with the standards and goals contained in the California Preschool Learning Foundations. Your child will discover that math is all around them as they explore and learn basic math concepts which serve as the precursor to early elementary school math. The class is hands on and is meant to be thought provoking.

PROGRAM TOPICS

- Ordinal and cardinal numbers
- Classification
- Patterns
- Vocabulary
- Functions
- Math reasoning
- Number sense
- The number line (the precursor to addition and subtraction)

PROGRAM MECHANICS

The year-long weekly 45-minute class held on Mondays from 11:00am to 11:45am utilizes: games, arts and crafts, movement, songs, manipulatives, stickers, the number line and other relevant and appropriate materials. The class is taught in spiral fashion; each of the themes is introduced and then reviewed and expanded upon throughout the rest of the year. This follows the natural development of children and allows them to understand concepts later in the year that they may not have fully understood earlier.

COMMUNICATION WITH PARENTS

You can access my website each week to see what your child has learned at www.pallyeducation.com. A password will be provided at the first class.
